

THE LOST HUSBAND

A photostory created by the pupils of ΣΤ1 in the framework of the project “Faces in Art” – «Τα πολλά πρόσωπα της τέχνης» using Roy Lichtenstein’s comic strips – A journey into pop art

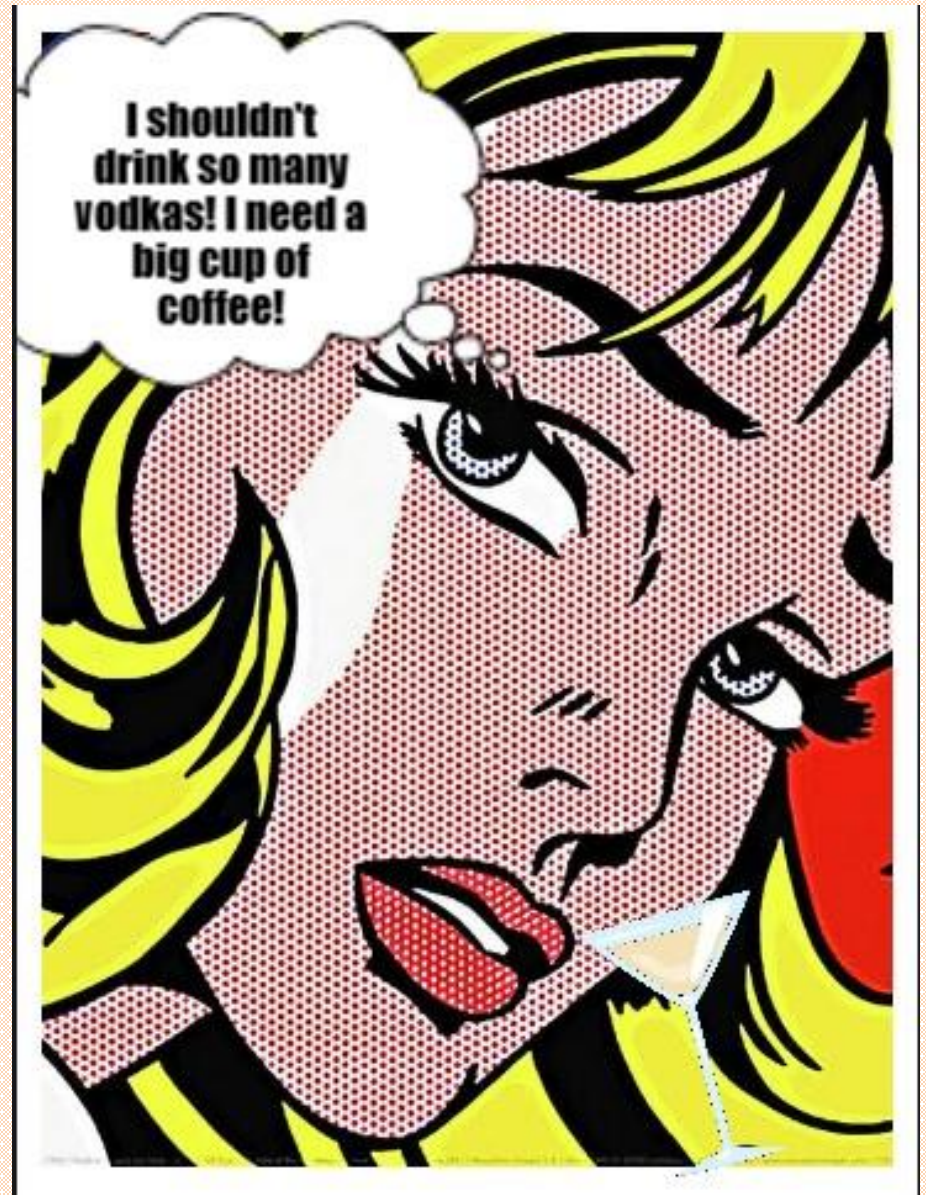

19th Primary School of Thessaloniki
January – May 2019

The sun rose in Dogcity. It seemed a hot sunny day full of surprises. Today was the day.

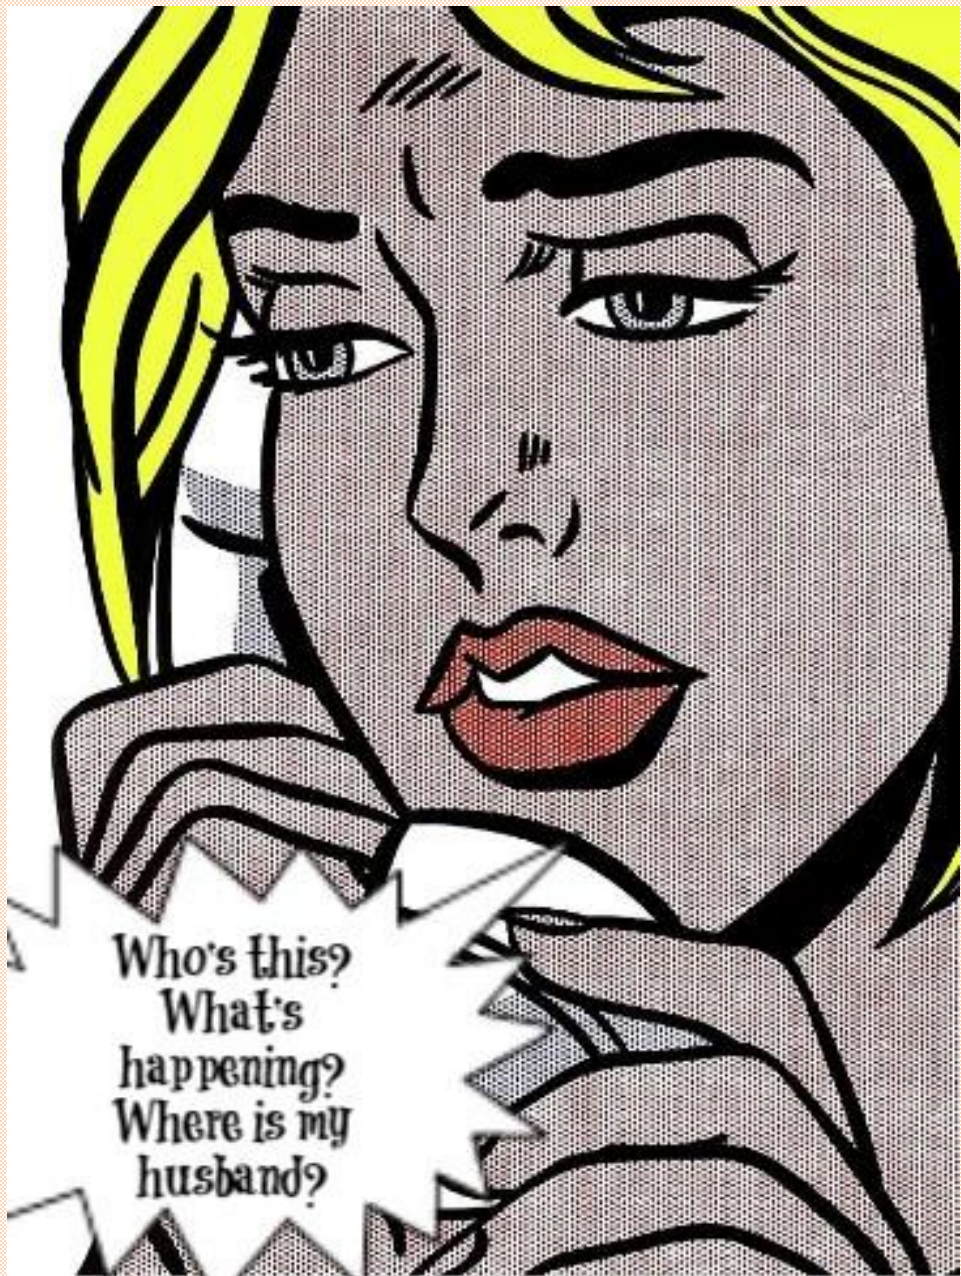

Mary Duggins woke up early in the morning feeling tired and sleepy. Last night she was in the popular club SPOOKY ROOKY until 3 in the morning with her best friends Kit & Kat.

When she got up, she went to the bathroom to look herself in the mirror. She wanted to be beautiful.

Just then the
telephone rang. She
heard a strange voice.

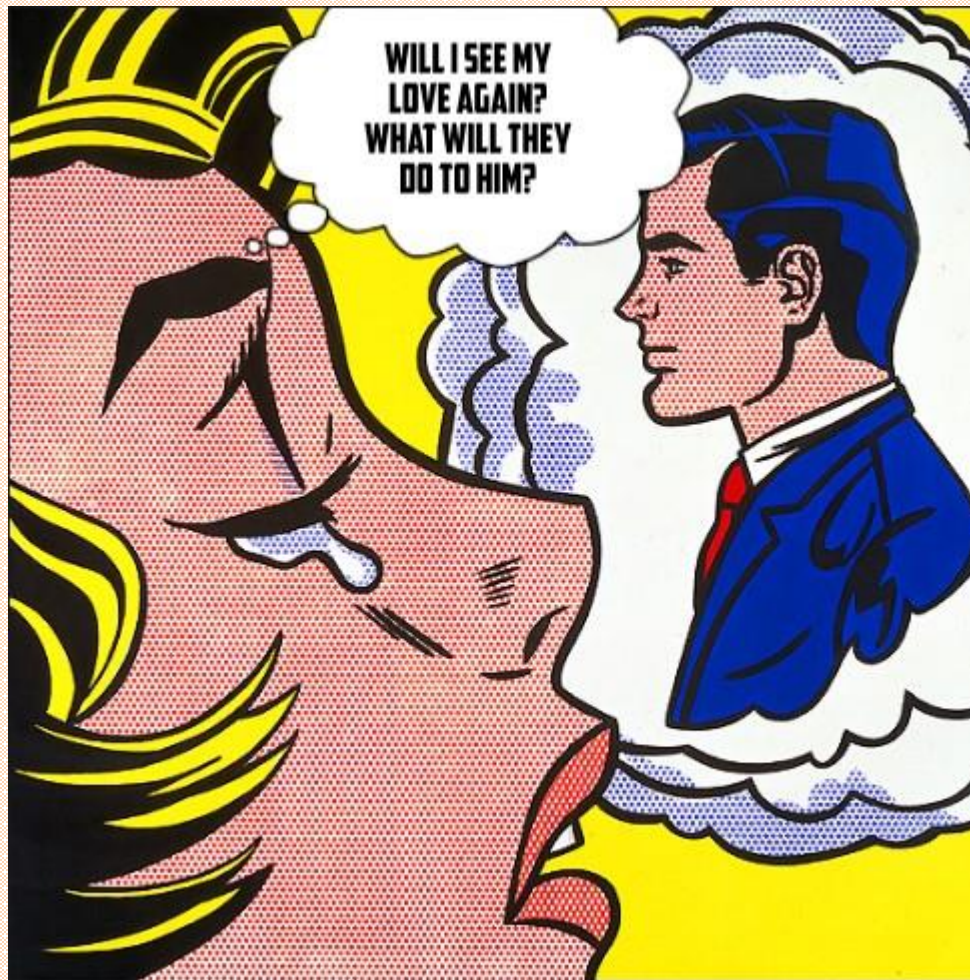

The man on the phone told her that her husband had been kidnapped by the Banana team Mafia.

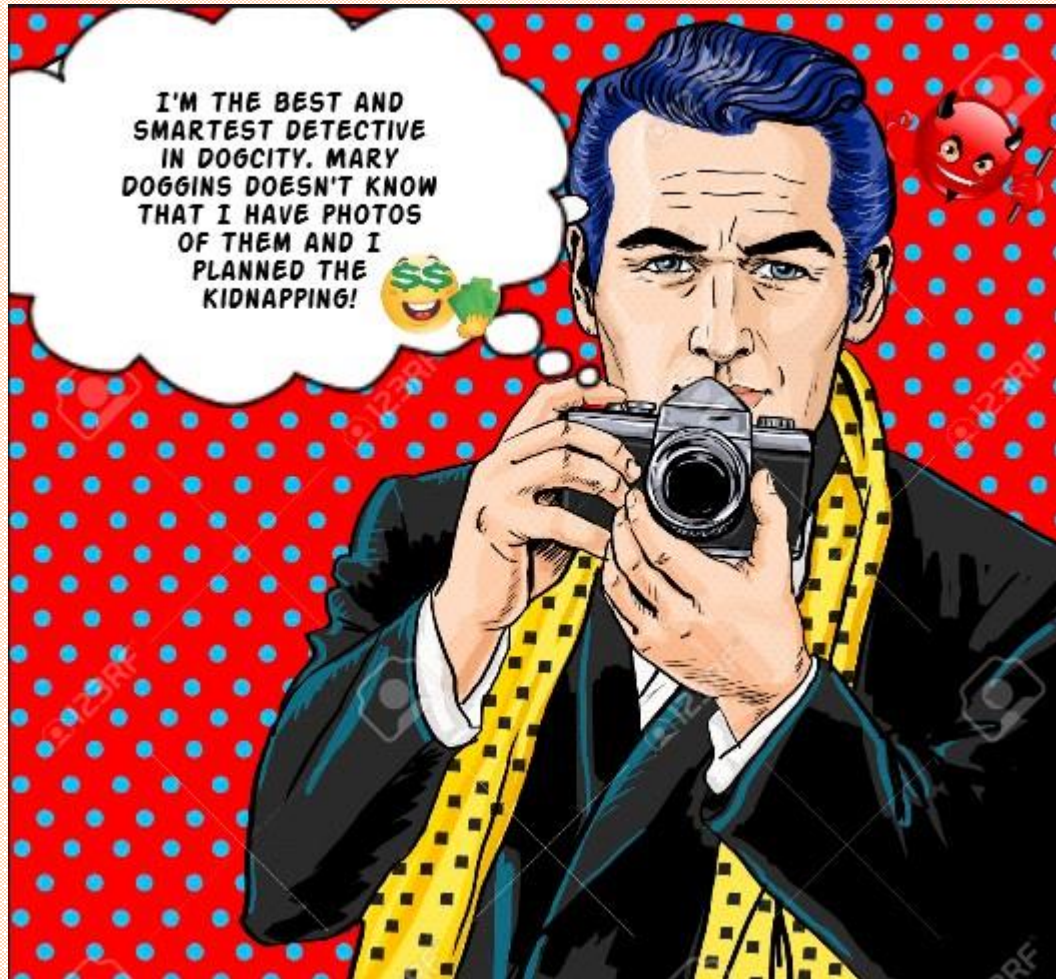

She was frightened. 1,000,000 cans of Campbell's soup?

She started crying. Her husband was the most precious person in her life. She didn't know what to do.

She went to find help. She called the famous detective Sherlock Paws to find the vicious, cunning kidnappers and save her good-hearted husband.

The next day Sherlock Paws called her and told her that he knew where her husband was.

When they arrived at the hide-away, she was ready to see her husband after a long time and she started crying.

The kidnapper was thirsty and wanted to drink a Coca cola but he dropped it on the electric cables and ...

Just then there was a loud explosion which killed everyone. Well, not everyone. Suddenly her husband came out of the smoke.

When she saw him, she started crying. The adventure was over. They would live their whole life together.

THE END
