

THE VERY HUNGRY CATERPILLAR

A) Read the story.

In the light of the moon a little egg lay on a leaf.

One **Sunday** morning the warm sun came up and pop! – out of the egg came a tiny and very hungry caterpillar. He started to look for some food.

On **Monday** he ate through one apple. But he was still hungry.

On **Tuesday** he ate through two pears, but he was still hungry.

On **Wednesday** he ate through three plums, (δαμάσκηνα) but he was still hungry.

On **Thursday** he ate through four strawberries, but he was still hungry.

On **Friday** he ate through five oranges, but he was still hungry.

On **Saturday** he ate:

one piece of chocolate cake

one ice cream cone

one pickle

one slice of cheese

one slice of salami

one lollipop

one piece of cherry pie

one sausage

one cupcake

one slice of watermelon

That night he had a stomachache!

The next day was **Sunday** again the caterpillar ate through one nice green leaf, and after that he felt much better!

Now he wasn't hungry any more – and he wasn't a little caterpillar any more.

He was a beautiful butterfly!
