

This is me in year 2035

Would you like to know your future?

In 2035 you (be) very successful! You (be) a famous actor and you (have) a lot of money. You (marry) a beautiful woman but you (not have) any children. You (travel) around the world!

..... I(win) the Oscar award?
..... I (buy) a house in Hawaii?

I'm not sure. I think you (not get) the Oscar for one of your films. I believe Brad Pitt (win) the award!

What??! Brad Pitt? He doesn't have any talent! His English is terrible! That reminds me, what questions Miss Kate (give) us for tomorrow's test?

Get into the **time machine** and find yourself in the year **2035!** What is your future like? Tell us about it! Write about: where you will live – what you will do – what you won't do - what things you will have – how you will spend your time – what things will be different in the world.
