

Adjectives

A) Read the short text and underline the adjectives. Then put them under the correct heading. Can you add more adjectives in each column?

Suddenly the large black American ship stopped sinking. A handsome short man in strange black clothes opened a secret iron door on the top of the ship. Two minutes later, six large young men with big black leather masks came out of the door. They took us through a long dark tunnel and put us in a big round room.
