Dear Author,

After having carefully evaluated your article titled “**The Role of Time Management in Secondary Education**” and taken the referees' advice into consideration, the editors came to the conclusion that your paper is suitable for publication in our Journal.

As part of our evaluation process, we normally ask the opinion of two referees who are experts in the relevant field of research. The paper is also read by the editor. If both of the referees and an editor concur in their view, their decision is final. We consult a third referee if there is a difference of opinion. The choice of referees and the fact that we require a consensus view between the referees and an editor ensures, however, that the process is as fair as possible.

Your article has been accepted for publication based on the reports of two referees and will be published in **International Research Journal of Finance and Economics**, Issue **130**.

Thank you very much for choosing us as an outlet for publishing your research.

Yours sincerely,

Adrian Marcus Steinberg, PhD
Managing Editor
