Subtitle:

“Integration of Greek immigrants in the host country”

by Antuella Bitsa

GREEK IMMIGRATION

- How were the Greeks greeted in the foreign countries?
- How were the Greeks integrated into foreign countries?
- Racist stereotypes about the first Greek immigrants.

- **HOW WERE THE GREEKS GREETED IN FOREIGN COUNTRIES?**
- Greeks in the late 19th and early 20th century emigrated to various European countries such as Germany and Belgium, America and Australia.

- After having arrived in the USA they were obligated to undergo medical examinations and interrogations.

- They were forced to work in unhealthy jobs which the Americans didn't do.

- **HOW WERE THE GREEKS INTEGRATED INTO FOREIGN COUNTRIES?**
- They settled down in foreign countries with great difficulty at the beginning.

- **RACIST STEREOTYPES ABOUT THE FIRST GREEK IMMIGRANTS**
- Greek students in German schools narrated that they had been victims of strong racism.

- Also, there was a strong tendency of irony towards Greek students either by teachers or by their classmates.
