<p><b>Know</b> What I think I know:</p>	<p><b>Wonder</b> What I want to know</p>	<p><b>Learn</b> What I learned</p>
<p>I know that the Cathedral of Seville is the biggest in Andalusia and the third biggest in the Gothic Cathedral in the world. About the Alcazar I know that it is an Arabic palace and that the prince and the princess of Spain spend some of their holidays there.</p>	<p>I want to know the history of the cathedral and how it was built. Also what are they doing today at the cathedral. For Alcazar palace I also want to know the history and how many rooms does it have.</p>	<p>First of all we learned about the backyard of the cathedral and why the shape of the cathedral is so big. Also we learned about the location of the tomb of Christopher Columbus and his son. Then we went to the Alcazar and we saw the beautiful gardens. I learned that a scene of Game of Thrones was filmed there as well as many films. We learned many things about some rooms in the palace.</p>
