# DISCOVER YOUR ELEMENT!

The concept of 'element' is based on the book *The Element: How Finding Your Passion Changes Everything* by Sir Ken Robinson (2010). The element is the point at which natural talent meets personal passion. It is here that people feel most themselves, inspired and able to achieve at their highest levels.

I love +

I am good at +

I am keen on +

They help me with =  
I have an opportunity to =① sports  
(football, basketball)② being honest and  
do everything as  
good as I can③ swimming (only in  
the beach)football  
video games  
school subjects  
(most of them)football  
basketball  
fishing  
swimming  
relaxing with  
my friends① being a better  
human being

② being a better student

③ being responsible

Write a few things into each column (things you love, things you are good at, things you are keen on doing and things you have support for), and find out where they overlap. What appears in most columns might be your element!
