Learning Objectives & Activities

Module 1: Developing intercultural competences

1. Assess own intercultural competence and identify ways how to become a more interculturally competent teacher
2. Develop some ideas on how to develop students' intercultural competence
3. Develop an understanding of different models of intercultural societies
4. Reflect on which model applies to your country and how it impacts your work at school

Module 2: Recognising cultural diversity for learning in everyday practice

1. Develop methods how you can work with students who do not speak the language of instruction very well
2. Identify ways how to build a sense of belonging and identity in your class and your school
3. Reflect on how you develop empathy and open-mindedness
4. Prepare a lesson plan that incorporates activities, ideas, etc. of what you have learned on this course
5. Reflect about what makes a good lesson that develops intercultural competence of students by reviewing the work of three other course participants
