## Learning Objectives & Activities

### 1. The situation of newly arrived migrants

This badge is awarded upon completion of Module 1 of the Raising Awareness about the Situation of Newly Arrived Migrants course on the Teacher Academy of the School Education Gateway. In order to complete the module the course participant has explored a range of resources outlining the situation of newly arrived migrants in Europe. Furthermore, the participant has shared information about the situation of newly arrived migrants in their locality and identified organisations that can further inform about the situation of newly arrived migrants in the participants' locality.

### 2. Raising awareness and fostering informed debate

This badge is awarded upon completion of Module 2 of the Raising Awareness about the Situation of Newly Arrived Migrants course on the Teacher Academy of the School Education Gateway. In order to complete the module the course participant has explored a range of resources outlining how the situation of newly arrived migrants can be effectively and sensitively addressed in the classroom. Furthermore, the participant has reflected on their teaching practice and drafted a lesson plan to implement the ideas of the course in their classroom.
