## MARY EDWARDS IN THE FOREST

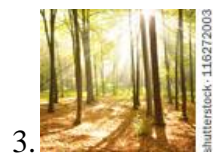

**Pictures, text, music and sound effects.**

“My first day of my holidays, she thought”.

“I can’t wait to explore the surrounding countryside”.

All around were the sounds of nature:  
rustling trees,

babbling streams and singing birds

The sky was getting dark and the shadows were growing longer in the forest.

6.

She was lost in the woods! Panicking, she cried out desperately for help. Suddenly, she heard strange noises.

7.

Mary decided to follow an overgrown path.

8.

But unfortunately, she was found in front of a ruined house with broken windows and a destroyed door, apparently abandoned a long time ago.

9.

Luckily, she was able to see other houses nearby.

10.

They all sat around the fire listening to Mary's fascinating story.
