A. Comprehension questions: (Ερωτήσεις κατανόησης)

Hi, Nadine!

Tunisia is beautiful and a lot of people speak French here. We are visiting a lot of historic places. The food tastes "different", - sometimes I don't know what I'm eating!

Today we are visiting a town near the Sahara. Lots of people have camels! We are enjoying every moment of our holiday. Hope you like my postcard!

Love,  
Mark
