The **Music Festival of Thessaloniki** is pleased to offer four free educational concerts to students through the **Cultural Music Education Series**. Each concert will take place at 11:00 am at the downtown venue of the **Concert Hall of Thessaloniki**.

International artists and local music instructors will perform on stage and describe their vocal or instrumental background, the history of their music and the professional experiences that have led to their success.

Each age-specific event is approximately 50 minutes in length. Teachers and students should not want to miss these exciting educational performances. **Each performance is offered at no cost to schools.**

Reservations for performances will be taken on a "first-come, first-served" basis. A study guide will be offered for each show. Schools must provide transportation and chaperones for the students.

All performances begin at 11:00 am.

For more information, please call (2310 234567). If you wish to register for one or more of the concerts, simply fill out the form of this brochure and return it. We look forward to seeing you at the **Cultural Music Education Series**.
