C A FAIRY TALE: THE STORY UNFOLDS

Once upon a time, there was a handsome young man who was the prince in a kingdom far away. He was looking for a princess to marry.

"She must be a real princess in all her qualities", said the Queen. The King agreed saying, "She must be beautiful, clever and sensitive. Yes, it is very important for her to be a true princess".

The prince rode off on his horse and went around the world to find

a princess to marry. He stopped in every castle he came across on his travels. There were many princesses, some of them beautiful and some of them clever. But he wasn't sure whether they were real princesses or not. A real princess is a very special person, and one who is not easy to find.

He came home sad and lonely because he had not found the person he was looking for.
