A dark blue background featuring several white and red geometric shapes and lines. At the top, there are two large red rectangles. Below them, a white line with a red underline runs across the page. A red oval is positioned below the underline. To the left, a white line connects a red square to a larger red rectangle. In the lower-left quadrant, there is a vertical list of four red squares, each followed by a white double equals sign (=). To the right of this list, there is a large red rectangle. On the far right, there are two overlapping red squares. A white line with a red underline runs horizontally across the middle of the page. Another white line with a red underline runs horizontally across the top of the page. A white line with a red underline runs horizontally across the bottom of the page. A white line with a red underline runs horizontally across the middle of the page. A white line with a red underline runs horizontally across the top of the page. A white line with a red underline runs horizontally across the bottom of the page. A white line with a red underline runs horizontally across the middle of the page. A white line with a red underline runs horizontally across the top of the page. A white line with a red underline runs horizontally across the bottom of the page.
