

*Barriers and opportunities for young immigrants in GREECE*

# ***Barriers for young immigrants***

- ◆ Racism
- ◆ Xenophobia
- ◆ Bulling at school
- ◆ Insecurities
- ◆ Worries
- ◆ Understanding weakness
- ◆ Unemployment

## ***Social and cultural barriers***

- ◆ Immigrants face external and internal changes
- ◆ Non-assimilation of immigrants into the society
- ◆ Racism

## ***Europe's young immigrants last in the job line***

Those suffering most from unemployment in Europe today are the young people. For immigrants, it is even harder to find a job.

In particular the economic crisis in Greece has led to unemployment all the young people and off course the young immigrants.

# *Reasons-Barriers*

- ◆ Economical crisis
- ◆ People are suspicious to take them under their work.
- ◆ They recognise them as lower than their homogeneous.
- ◆ They have family buisness.

# *Opportunities for young immigrants*

- ◆ Education
- ◆ New lifestyle
- ◆ Peace
- ◆ Good climatic conditions
- ◆ Rich history
- ◆ Open minds
- ◆ Steadily progress
- ◆ Unity between people
- ◆ Friendly atmosphere

# EDUCATION

- ◆ The educational system in Greece helps young immigrants:
- ◆ All the immigrants' children (6-18 years old) can go to greek schools.
- ◆ There are receiving sections in primary school for children not yet capable of Greek language.
- ◆ In some municipalities, there are special Greek-language-learning departments
- ◆ In big cities there are departments that help young immigrants (18 and over) to get their GED.
- ◆ Greek universities accept immigrant students with GED's from other countries.

There are some more opportunities for the young in Greece:

Greece is a peaceful country with good climatic conditions

People are open minded.

Europe is also the native home of art and music.

Freedom in thoughts!
