

# **NITSA PAPAKOSTA**

# HER LIFE

- Nitsa Papakosta is one of the most important sculptures in Greece today.
- She was born in Ioannina
- Her mother was from Konitsa
- She started painting as a self-taught artist.
- She studied sculpture for more than five years, with the sculptor Pavlos Vrellis

## HER WORK

- She has held several painting and sculpture exhibitions in Greece and abroad
- And she has taken part in many group exhibitions respectively.
- During the same period she also illustrated several books.
- She also participated in a stone sculpture symposium at Platanakia Park of Konitsa.
- “Inside the sculpture, a piece of my soul has remained to gaze forever at the landscape of Konitsa.”she said
