### Welcome to the Renaissance board games rules

- The board game includes:
- 10 boards
  - 1 die
  - 10 Bonus cards
  - 10 Punishment cards
  - 10 Time for Painting cards
  - 10 Question cards

In the game you will start in 14 rooms. Each time you roll a 6 you move to the next room. If you roll a 1 you move to the previous room. If you roll a 2 you move to the room before that. If you roll a 3 you move to the room before that. If you roll a 4 you move to the room before that. If you roll a 5 you move to the room before that.

**Questions**  
Question cards contain questions related to the Renaissance. If you answer a question correctly you earn 1 point. If you answer a question incorrectly you lose 1 point. The game ends when one player has 10 points more than the other player.

**Punishment**  
Punishment cards contain really difficult questions to make your game more interesting. If you answer a punishment question correctly you earn 2 points. If you answer a punishment question incorrectly you lose 2 points. The game ends when one player has 10 points more than the other player.

Good luck you will need it!
