

- You are going to watch an advertisement of 'Le Trefle' Paper Company. What do you think the feelings of the couple are? What are they thinking?

happy

bored

sad

excited

tired

angry

The man feels

.....

.....

The man is thinking:

.....

.....

The woman feels

.....

.....

The woman is thinking:

.....

.....

- Which 4 of these scenes did you **NOT** watch in the advertisement?
- Now, put the rest of the sentences in the correct order according to what you saw:

The man:

- a) ...introduces himself.
- b) ...asks his wife to bring him a toilet paper.
- c) ...orders a pizza using his tablet.
- d) ...uses his tablet to draw something.
- e) ...prints something in the printer.
- f) ...reads an e-book before going to bed.
- g) ...sees his wife printing something in the printer.
- h) ... has his tablet while he is in toilet.
- i) ...shows a Sudoku puzzle on his tablet to his wife.
- j) ... finds a lot of post-it-notes on the fridge.

1. ....
2. ....
3. ....
4. ....
5. ....
6. ....

**suggest!!!**

Remember, there are different ways of suggesting. Have a look at some:

- Why don't you ...(use)....?
- How about ...(using)....?
- If I were you, I would ... (use)
- You should really ...(use)....

- **Role-play (pair work):** Imagine you are the husband and wife of the video. What would you say to each other? Act out a dialogue. Use the correct order of scenes in the previous exercise and the ways of suggesting above.

- Your school newspaper raises the following issue: 'Should tablets replace textbooks in schools?' Try to find at least 3 of the advantages (pros) and 3 disadvantages (cons) of using tablets instead of textbooks at school. Write down your ideas in the table below:

<u>ADVANTAGES OF TABLETS</u>	<u>DISADVANTAGES OF TABLETS</u>
1)	1)
2)	2)
3)	3)
