Dear Mr Μαχαιρίδου,

It is my pleasure to inform you that your project **2014-1-EL01-KA201-001321- "Our School - My Future" - ESL project** has been selected as a "success story" by a panel of experts from the Directorate-General for Education, Youth, Sport and Culture of the European Commission.

"Success stories" are finalised projects that have distinguished themselves by their impact, contribution to policy-making, innovative results and/or creative approach and can be a source of inspiration for others. The selection of your project as a success story was made on the basis of rigorous criteria regarding its quality, relevance and results.

The project has been marked as "success story" in the [Erasmus+ Project Results Platform](#), a database where you can find descriptions and results of projects supported by the European Commission under the Erasmus+ Programme for Education, Training, Youth and Sport, as well as its predecessor programmes.

As a consequence of this selection, visibility and acknowledgement will be given to your project, for instance on our websites, social media, and when preparing documentation for conferences or other events with high-ranking attendance.

Should you have any additional results that you would like to add to your project card on the Erasmus+ Project Results Platform, please send them to us at EAC-PROJECTSPLATFORM-HELPDESK@ec.europa.eu and we will upload them for you.

Please also note that you may be contacted by our external contractor for dissemination and exploitation of results, MOSTRA, for additional material related to your project.

I would like to congratulate and thank you and your project partners for your commitment, enthusiasm and high-quality work.

Yours sincerely,

Francesca PAGNOSSIN
Head of Unit
