

Help Hambis create his self-portrait engraving

Collaborative online game

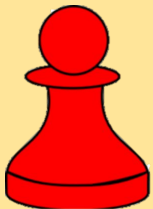

I see, I explore, I create
2023-2024

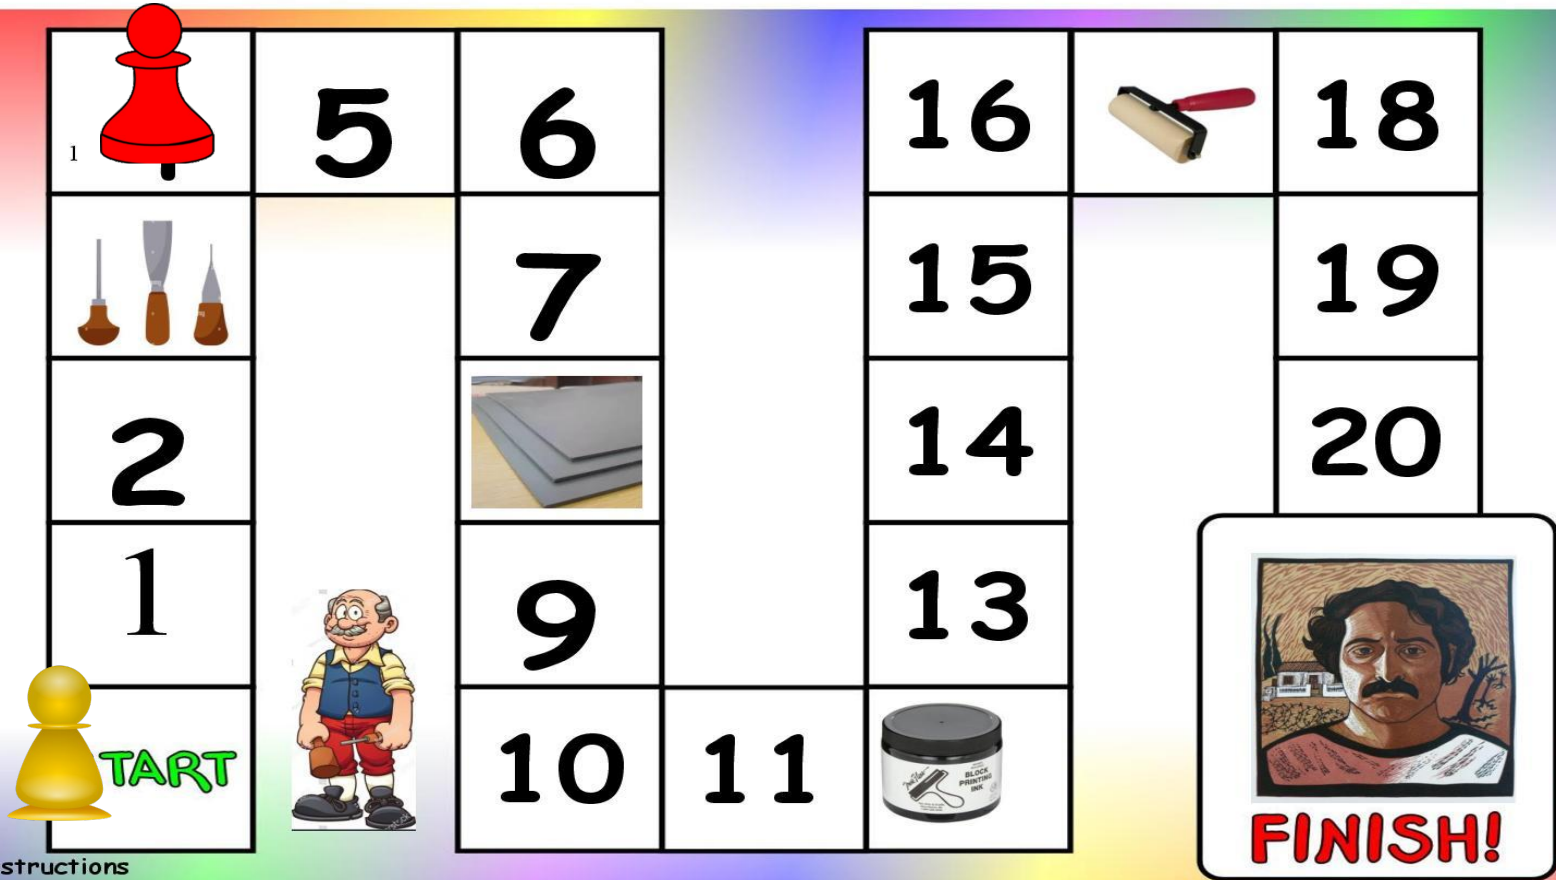

How to play:

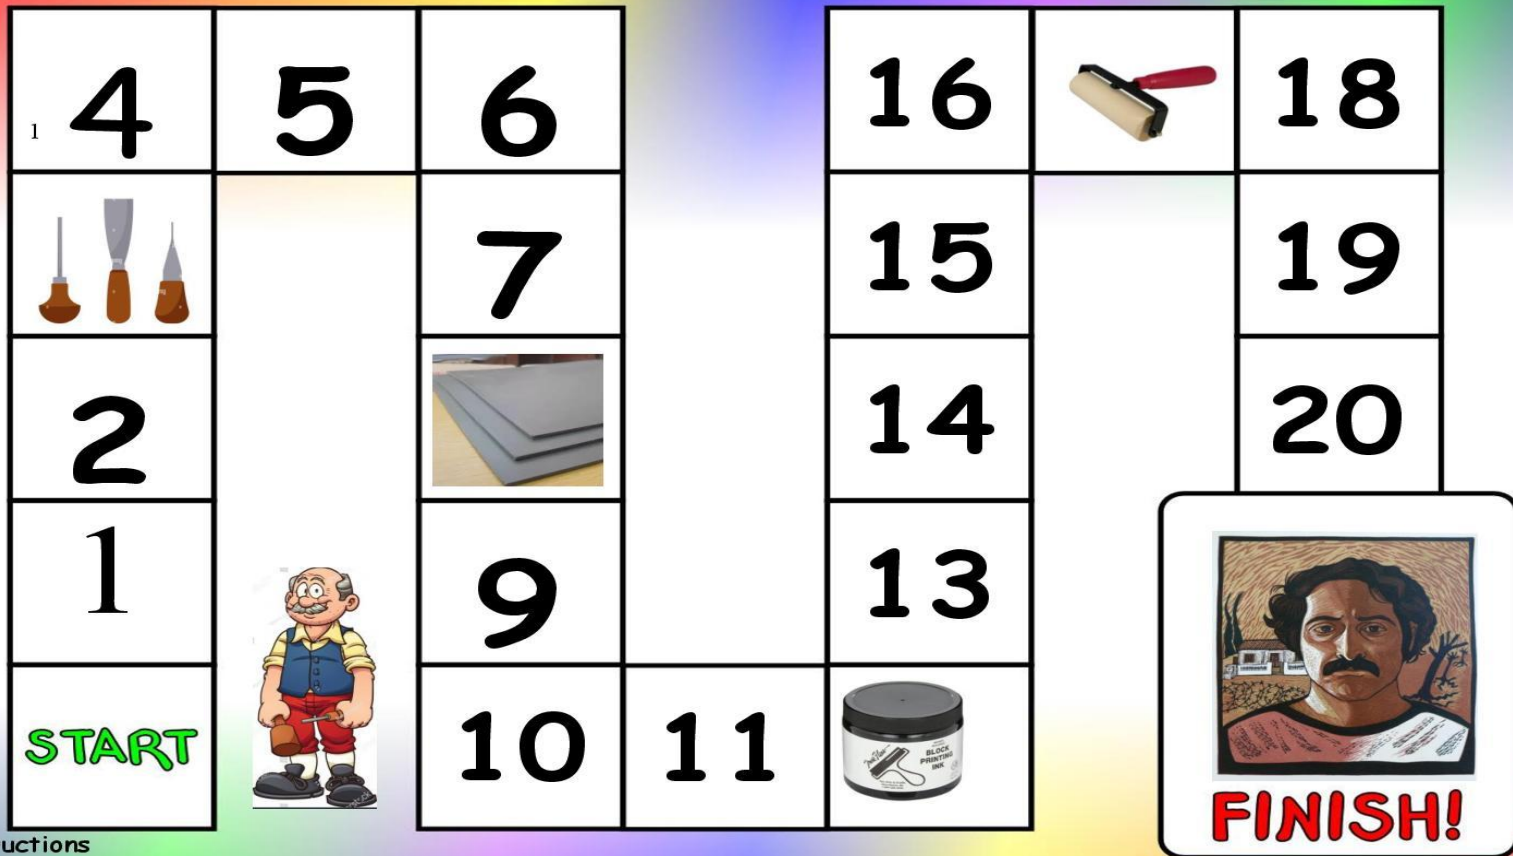

1. Add your name on the table.
2. Contact your partner and decide day and time
3. Connect online and open game presentation
4. Roll the online dice and move the pawn
5. If you land on an item needed for engraving, you are lucky. You can move your pawn forward 2 squares.
6. The first player that reaches Hambis self-portrait is the winner.

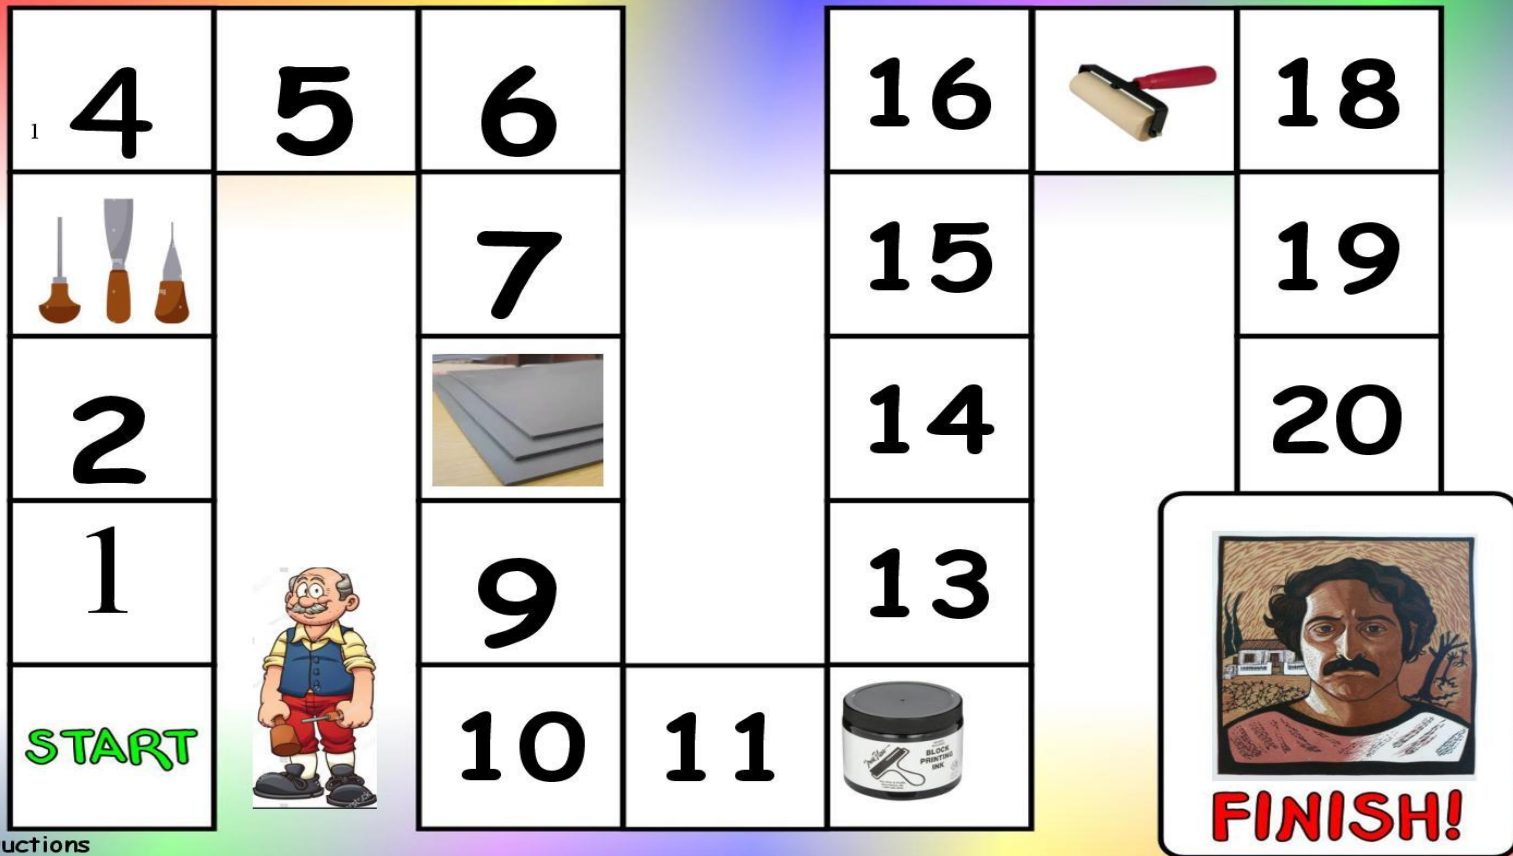

Instructions

Help Hambis to create his self-portrait engraving. Roll the dice and move your pawns. If you land in a square with an item, he needs you can move forward 2 squares.
