

Erasmus+ Short-term joint staff training webinar Workshop „High quality feedback components in preschool“

1-3 June 2021, Vilnius
Lithuania

Expected results:

- Participants will acquire knowledge about high quality feedback components.
- Participants will learn how to prepare for the more efficient feedback in communication with parents.
- The algorithm for providing high quality feedback to parents will be created for further testing during the local activities.
- The experience gained during the workshop will strengthen teachers' self confidence and will help them to communicate with parents more professionally.

Number of participants – 19

Meeting platform – Zoom

Scheduled in Eastern European Summer Time (EEST)
