IN ITALY IS A NATIONAL UNITY AND ARMED FORCES DAY. WE CELEBRATE THE VICTORY IN THE GREAT WAR (1915-1918) FOUGHT IN THE NORTH EAST OF ITALY FOR THE INDEPENDENCE FROM AUSTRIAN-HUNGARIAN EMPIRE WHO OCCUPIED FOR TWO CENTURIES THIS TERRITORY.

IN THE PICTURE YOU CAN SEE THE "ALTARE DELLA PATRIA", THE TOMB OF THE UNKNOWN SOLDIER. IT'S A MEMORIAL AND IT'S LOCATED IN ROME.

THE TOMB IS ALWAYS GUARDED BY SOLDIERS. THE PRESIDENT OF ITALIAN REPUBLIC EACH YEAR PAYS TRIBUTE TO THE UNKNOWN SOLDIER AND HE LAYS A LAUREL WREATH.

The Day of Remembrance of the Victims of the Homeland War and The Day of Remembrance of the Victims of Vukovar and Škabrnje are celebrated on November 18 every year as a national holiday. The Homeland War lasted from 1991-1995. in the territories of Yugoslavia. The war began with Serbia's attack on Croatia, in order to achieve the "Greater Serbia" policy, and Croatia wanted independence. During the war, brutal crimes were committed against Croats who were driven from their homes or taken to camps. That 18.11. we remember how much sacrifice people made for the independence of our country. Why November 18? Because Vukovar fell exactly on November 18, after 87 days of siege and constant fighting. The worst thing is that they took wounded and sick people from the Vukovar hospitals to the camps. Now Croatia is an independent country and most people are nationally aware.
