The sea
is full of it!
Animals are dying!
It lives for hundreds
of years in our nature!

YOU EVEN
MAKE WARS FOR
IT!

Can't
live
without
Plastic.

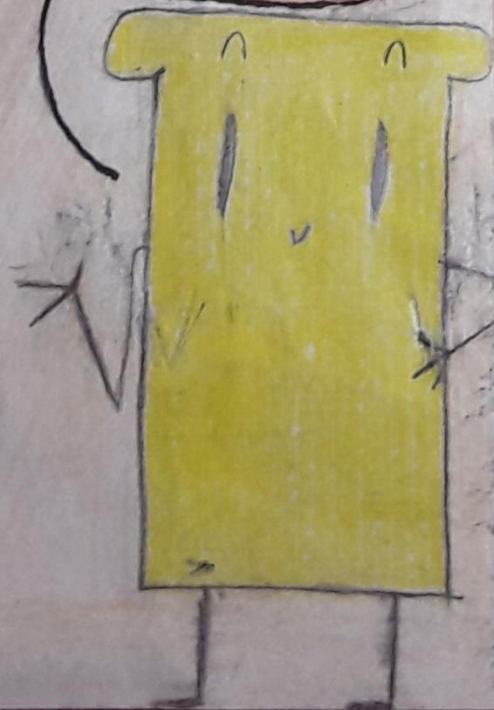

NO!
I will not
let you do this
to this beauty,
to our poor
animals!
You're not
going to do
it, are
you?

So you think you can do whatever you want and be the "king" on the Earth? Don't you think this will have a BAD END?

TAP
TAP

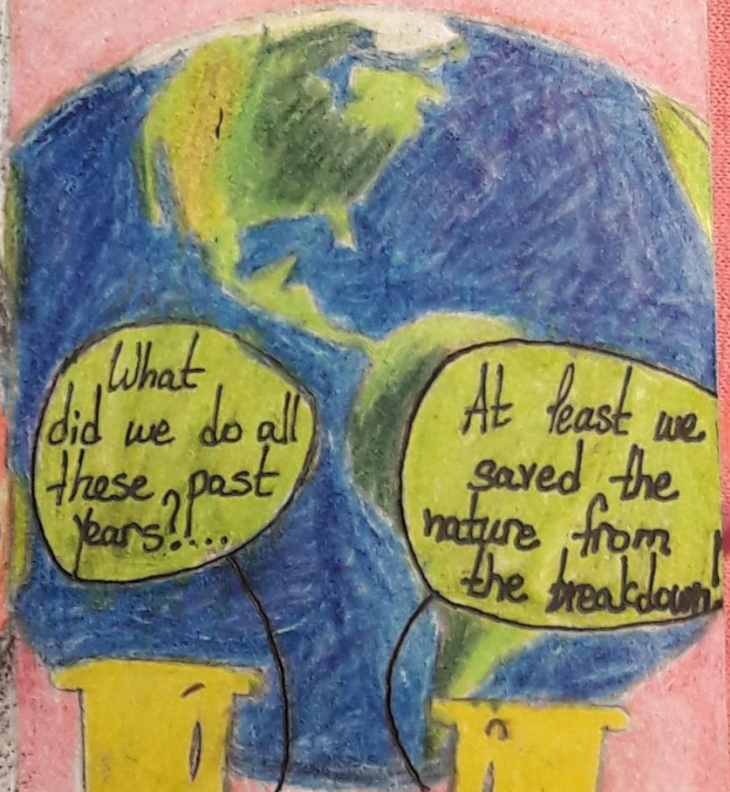

Hey guy, chill. Is 2° Celsius more and 5-6 parrots less such a disaster? If the "bad end" comes, we will move to Mars! Isn't that a clever solution?!
