MY DAILY ROUTINE

Dear friends,

I hope you are well. I've got a lot of news to tell you about my daily routine. I always wake up at 7:30 o'clock in the morning to get ready for school. At school we have a lot of different lessons like Language, Maths, Science, Art, Physical Education and Geography. After school I usually do my homework for my english or german lesson. After that I eat lunch with my family and then I play 1 hour on my phone. On Mondays and Fridays I go to tennis with my best friend Fani. In the evening I eat toast and I'm going to watch TV.

That's all for now,

Yours,

Konstantina
