

# It's only a dream!

We're **Christine** and **Nefeli** and we  
sometimes have a dream!

In our dream we live in Neverland ,

Peter pan's island. There, we always wake up at 10 o'clock  
in the morning and we never go to school and of course, we  
never do any ..... HOMEWORK!!!!!!

Every morning we fly over Captain Hook's ship with Peter Pan  
and Tinkerbell. We always go to bed late and we never  
brush our teeth. Wow! We like this life! But then we wake  
up and we realize it's only a dream!!!
